Planning RIPE Meetings

- Trying to get ahead of the curve, we're planning further ahead
- We will announce locations from RIPE 90 onwards soon
- We will look for hosts based on the locations chosen
- If we're coming to your part of the world - talk to us!
- Greater focus on safety and accessibility - improving the content on the website

RIPE DNS Open Resolvers BCP Task Force

- The Task Force is now closed
- A big thank you to the Task Force members!
- Recommendations published as a RIPE Document
<https://www.ripe.net/publications/docs/ripe-823/>

Other Community Initiatives

- Documenting BCPs to overcome natural disasters or war
- Open Source WG: Giving credit to open source projects
- Connect WG: Use for IRRs for IXP Route Servers
- RIPE Code of Conduct Team article on RIPE Labs
https://labs.ripe.net/author/franziska_lichtblau/the-ripe-code-of-conduct-team-update-2024/

Promoting RIPE

- Online student session ahead of RIPE 88
<https://ripe88.ripe.net/programme/parallel-events/student-event/>
- Addressing the EuroDIG Opening Plenary
- New logo and website in place

Coming soon: New RIPE Meeting websites

The RIPE NCC are starting a project to make future websites for the RIPE Meetings more usable, accessible and secure.
