Agenda

Valerie Aurora	Digital Sovereignty and Open Source
Ben Cartwright Cox	A Network of Networks
Qasim Lone	Something’s Wrong on the Internet
Jelena Cosic	The RIPE NCC and You
Mirjam Kühne	A Brief Guide to RIPE Meetings

Why are we here?

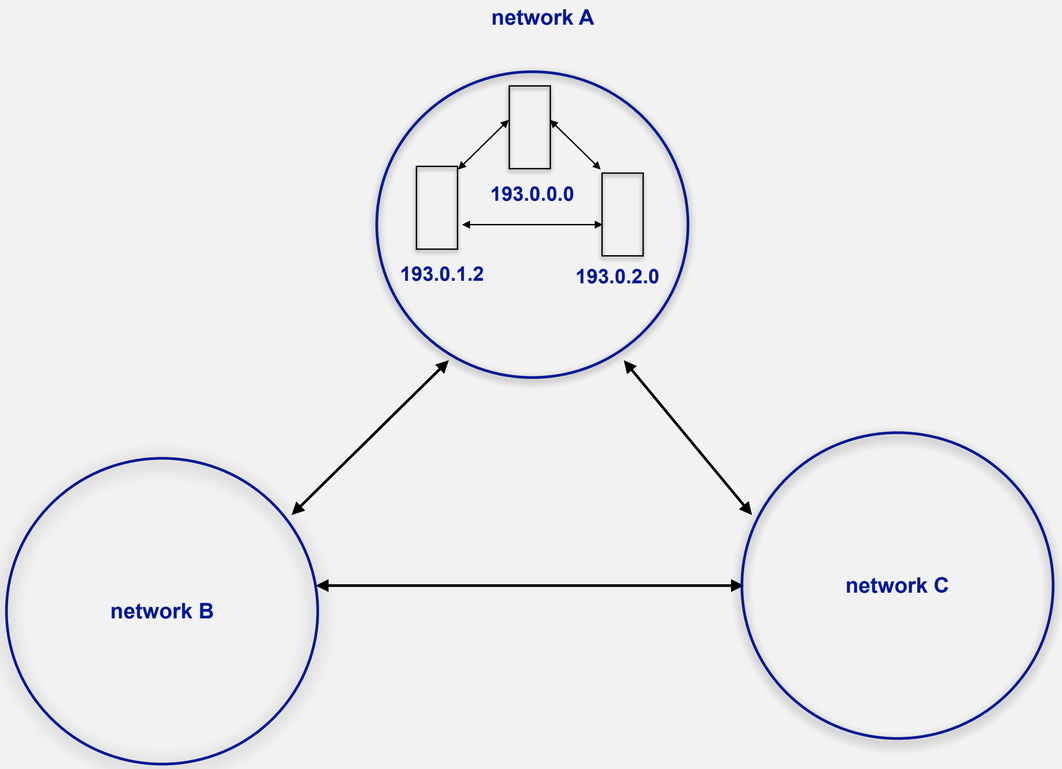
- The RIPE community is meeting in Kraków
- Network operators in Europe, Middle East and Central Asia
- Sharing expertise, technical coordination, networking
- IP addresses, routing, security, open source, and more

- **A great way to plan your career**
- **We need you to help shape the future of the Internet**

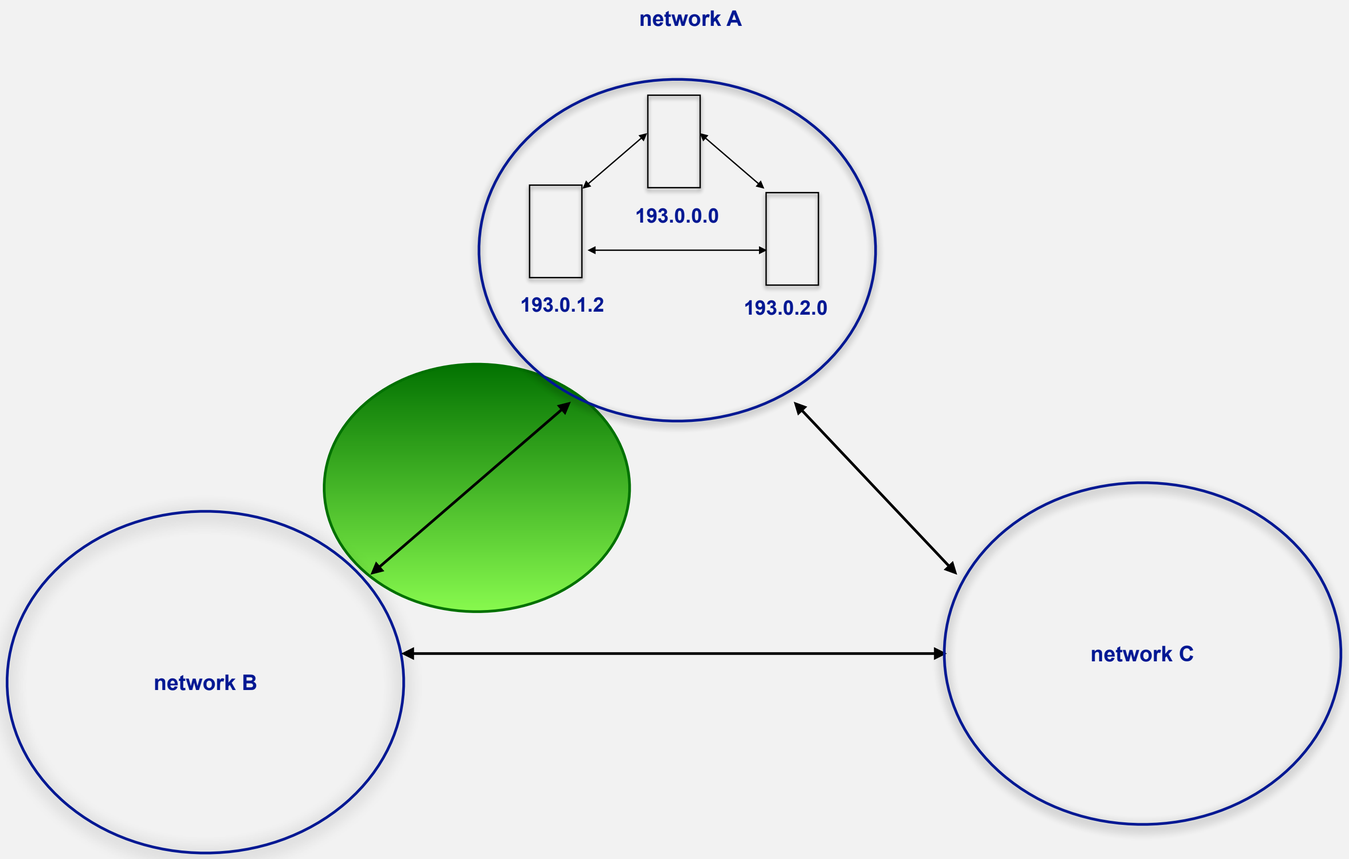
WHAT IS RIPE?

(RÉSEAUX IP EUROPÉENS)

A Network of Networks



A Network of Networks



Welcome to the RIPE community!

- RIPE is open to everyone
- Everyone is welcome
- Easy to start participating in
- You can influence the future of the Internet
- Defend the open Internet

Housekeeping

- **Mute**
  Please keep yourself on mute when not speaking

- **Use the Chat**
  Use the chat to introduce yourself, add comments or ask a question

- **Raise Your Hand**
  Feel free to ask questions by raising your hand

Connecting people
and networks
since 1989

Join us at RIPE 88: Onsite or Online
