A. Introduction and Housekeeping

Peter Steinhauser

The presentation is available at:
https://ripe87.ripe.net/wp-content/uploads/presentations/52-RIPE-87-IoT-Slides.pdf

Peter Steinhauser welcomed everyone to the session. He provided an overview of the agenda including presentations from speakers representing the University College of London, AVM and Netnod. Peter confirmed that the RIPE 86 minutes had been published and approved by the WG Chairs.

Housekeeping: How to Participate in Person

- Go to the Mic for asking question

- Say your name & affiliation

Housekeeping: How to Participate Remotely

- **Audio/Video:** Ask a question directly using audio and/or video

- **Q&A:** Type your question in the Q&A window, along with your AFFILIATION. The question will be read out to the speaker

- **Stenography:** Stenography is available on Meetecho

- **Chat:** Chat with the group, or send 1-1 messages

- **Poll:** Answer a live poll

- **Participants:** View the list of participants

Heads up: Participation in Co-Chair Selection

Get prepared to use Polls in Meetecho:

- You need to log in to Meetecho even if you're attending onsite

- Onsite attendees can log in using the Meetecho Lite version

- You have received the link in the email with the subject "RIPE 88: Your Meetecho Link"

- Click on the link and open it in your browser

- You can use your phone to vote in the poll!

IoT WG Co-Chair selection

- 7th Apr – Start on IoT mailinglist: Call for RIPE IoT WG Chair

- We gained 3 volunteers:
  - David Schweizer
  - Peter Steinhäuser
  - Andrei Kolesnikov

- We open the Meetecho Poll now and will have a look to the result at our last agenda point

Have a Nice Meeting!
