Dear WG,

I like to wish you all a very healthy and successful 2024, on behalf of myself and the other AP-WG chairs.

We've received the minutes of the RIPE87 meeting and the RIPE NCC was so kind to publish them already for your review online. And I like to thank the RIPE NCC in creating the minutes for us.

Please review the minutes and provide feedback if you think there is something missing or incorrect.

Regards,
Erik Bais
On behalf of the AP-WG Chairs.

Address Policy Working Group

The Address Policy Working Group develops policies relating to the allocation and registration of Internet number resources (IPv4 and IPv6 addresses and ASNs) by the RIPE NCC and its members. Anyone with an interest in Internet numbering issues is welcome to observe, participate and contribute to the WG. To post a message to the list, send an email to address-policy-wg@ripe.net. Please note that only subscribers can post messages.
