

RIPE NCC CERTIFIED PROFESSIONALS

A RIPE NCC certification validates expertise in the fields of IP address management, IPv6 technologies and network security.

RIPE NCC Certified Professionals earn a digital badge that can easily be verified by any third party, like your employer or customers. We currently offer four certifications:

RIPE Database Associate

IPv6 Fundamentals - Analyst

IPv6 Security Expert

BGP Security Associate

In 2023, we transferred our exam platform to a new provider. This improved the candidate experience by allowing us to make adjustments on the fly. It also made our platform accessible to all members in our service region. We also streamlined our onboarding and proctoring system, which is now managed and controlled by RIPE NCC staff. Finally, we worked on better integration between the Certified Professionals programme and the RIPE NCC Academy to better prepare candidates.
