

GENERAL MEETING

The RIPE NCC holds a General Meeting (GM) twice a year - in spring and in autumn. The GM is the forum at which members can discuss the operations and activities of the RIPE NCC and share their feedback. Members also vote on the charging scheme for the following year, elect representatives on the RIPE NCC Executive Board and give their feedback on our Activity Plan and Budget.

The May 2023 GM had an unusually high member turnout compared to other GMs. It had the second highest number of votes and member turnout in the last decade following the May 2020 GM. The main reasons for such a high turnout were the proposal of four charging scheme options that drew a lot of comments from the members, and an Executive Board election with three available seats. In May, members voted to retain the existing charging scheme and elected Raymond Jetten, Maria Häll and Harald A. Summa to the Executive Board. In November, members approved changes to the RIPE NCC Articles of Association to strengthen our governance.
