Sponsored and Presented at Presented at

## SEE 11

SEE 11 took place in Split, Croatia from 4-5 April 2023. The meeting saw 127 attendees from 19 different countries, including 56 newcomers.

The meeting discussed the Internet in South East Europe and featured a panel discussion on the evolution of the telecommunications market in the region so far and predictions for the future.

Other key topics were IPv6, cybersecurity, updates on networking in Ukraine and the first NOG meeting in Bosnia and Herzegovina.
